Previous meeting minutes were reviewed with no changes. Chairman Drake motioned to accept minutes, Vice Chairman Malette seconded the motion all present voted in kind.

The abridged meeting touched briefly on Weare's old homes day and possible agricultural commission involvement. Due to member participation in other old homes events no commission representation will be available.

Members submitted lists of names of persons in Weare that were known to be involved in some sort of agricultural activity. These lists are to serve as a base to gather more information about agricultural activities in Weare and to begin a more active relationship between the commission and townspeople with agricultural interests.
